Aura Wealth Management Merges With TK Advisers & Associates

Aura Group is pleased to announce a merger between Aura Wealth Management (AWM) and *TK Advisers & Associates*, a Sydney-based boutique financial advisory & services firm.

Established in July 2013 by Nigel Tsa and Minsoo Kang, TK Advisers & Associates specialises in providing clients with holistic financial advice in areas including superannuation, investment portfolios, wealth management, protection & risk management strategies, and tax effective investment structuring.

Today, TK Advisers & Associates advises over 300 clients with approximately \$50 million in funds under advice, managed by a team of five advisers and support staff across New South Wales and Queensland

The merger initiates AWM's local expansion into Australia's burgeoning wealth management market and follows the launch of AWM in Singapore earlier this year.

AWM was launched in response to Aura Group's rapidly growing base of high-net-worth investors across the Asia-Pacific. Adopting a 'Wealth Concierge' approach, AWM is able to create tailor-made solutions for clients, while allowing clients to seamlessly retain existing custodial banking relationships.

Commenting on the merger, Aura Group Managing Director Calvin Ng said "TK Advisers & Associates represents a perfect strategic fit for Aura Group as we expand our wealth management offering, both locally and overseas, as a global financial services firm".

"We are thrilled to join Aura Group's portfolio of companies and we look forward to leveraging Aura's expertise and experience as we position TK Advisers & Associates to become a leading provider of wealth management services in Australia", said Nigel Tsa, Partner at TK Advisers & Associates.

Following the merger, TK Advisers & Associates has relocated to Aura Group's Martin Place Sydney offices, while also maintaining its existing office in Central Queensland.
